## Treasurer's Report to the Officers and Members of the Club

#### Introduction

This Report together with the following pages is prepared on behalf of the General Committee and the Members of the Club. The information presented; a Profit & Loss Account, Balance Sheet and a Cash Flow together with relevant notes has been compiled from the accounting records as well as an appropriate level of investigation into those records and where possible agreeing these records to third party documentation.

The financial information is not intended to be fully in accordance with UK GAAP but is presented in a manner which is relevant and therefore useful to the General Committee and the Members of the Club in the Club's current and future affairs.

#### **Profit & Loss Account**

Although 2024/25 again saw a reduction in expenditure of 4%, the income also fell by 6%. resulting in an increase in the loss from the previous year of £1847. This situation is not helped by the lack of volunteers, with the chair of fundraising committee position remaining vacant throughout the full year. Although sponsorship revenue was slightly up, fundraising revenue was down. The M and J costs include the clubs contribution to the employment of an Community Coach with Glossopdale Community College.

In March 2023, the committee took the decision to complete the year without a Club manager, choosing instead to manage the bar and kitchen by using the experience of the senior kitchen and Bar staff. This is the main reason behind the kitchen contribution showing as a negative when accounted as per previous years. As can be seen in attached a note (7), Staffing Costs compared to 2023/24 are much reduced, in part due to the unsustainable workload of a few volunteers. A manager was appointed in Sept which will see costs return to similar levels of previous years, which should be backed up with an increase in external function revenue.

Following signing a 3yr fixed deal in January 2023 in line with the recent reduction in market prices, energy costs were much reduced compared to the previous year. With a reduction in 11k against previous years.

Insurance cost rose again during the year, due to the decision to take out an earnings loss insurance in event of injury for both senior teams. This has resulted in significant payouts for some injured players

Positives for the year are again the increase of 15% in Membership contributions overall, compared to 2023/24.

The money in the bank still contains Grant Income of 5.5k from Sports England which can be used solely for the provision of Mixed Ability Rugby at the club.

#### **Balance Sheet**

The Club's net assets have decreased by £12.5k. The Club's main assets are the Land and Buildings.

It should be noted that the figures for Cash & Creditors are "snap shots" specific to the date on which the accounts were closed off, and therefore a year-on-year variance either way is normal.

Signed on behalf of Glossop Rugby Club:

Treasurer: Mr Martin Lindsay

## **PROFIT & LOSS ACCOUNT**

|                           |          | 2025     | 2024     |

### NOTES TO THE FINANCIAL STATEMENTS

#### 1 Accounting Policies

- a) The accounts have been prepared under the historical cost convention and in accordance with the officer's responsibilities for preparing financial statements which give a true and fair view of the state of affairs of the club at the accounting date and of its profit or loss for each financial year.
- b) Stocks are valued at the lower of cost or net realisable value.
- c) Depreciation is provided to write off the cost of the fixed assets over their expected useful lives, except freehold land which is not depreciated.

| Building  | 4%  |
|-----------|-----|
| Equipment | 10% |

 The club is treated for corporation tax purposes as a mutual society and is not liable for corporation tax on the trading profits of its activities provided for its members. Corporation tax is payable on investment income and profits from the use of the club premises by third parties.

#### 2 Bar Contributions
